## HIGH TORQUE MOTOR

Pure copper motor with a powerful permanent magnet exhibits a high magnetic induction, melting point, temperature resistance, power and safety.

## AUTO LOAD HOLDING

Featuring a powerful dynamic automatic load-holding brake this winch provides you maximum safety on rugged terrain.

## POWERFUL SOLENOID

Our specially designed relay prevents burning in winches, ensuring insulation, durability, and stability while avoiding damage caused by insufficient power.

## WIRELESS REMOTE CONTROL

The electric winch is equipped with a convenient wireless remote, allowing you to operate the winch safely from a distance with ease.
